

United States of America
Department of Transportation — Federal Aviation Administration
Supplemental Type Certificate

Number SA3232SO

This certificate, issued to

Delta Air Lines, Inc.
Hartsfield Atlanta International Airport
Atlanta, Georgia 30320

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product — Type Certificate Number: A2NM
Make: Boeing
Model: 757-232

Description of Type Design Change: Installation of a 182 passenger seating configuration, and an additional serving cart with stowage provisions in accordance with Delta Air Lines EO 6-65033-3, Revision "A", dated May 4, 1992, EO 6-65041-3, Rev. "A", dated May 6, 1992, and EO 6-65170-3, dated May 8, 1992, or later approved revision.

Limitations and Conditions: This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated unless it is determined by the installer that the interrelationship between this change and any of those other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked, or a termination date is otherwise established by the

Federal Aviation Administration.

Date of application: March 30, 1992
